

What is UniStem Day?

UniStem Day is a one-day meeting organized for high school students since 2009. This event, solely dedicated to the dissemination and outreach of stem cell science and research, provides an opportunity to foster learning, discovery and debate on the themes of knowledge and innovation starting from stem cell research. The event showcases cutting edge research, paints a picture of the daily work of a scientist, and explores the mechanisms behind scientific breakthroughs, including the cultural expectations. By offering lessons, debates, visits at the laboratories and recreational moments, the students engage with the concepts and methodologies involved in stem cell research. Furthermore, they will gain an appreciation for science and how it can be fun and build personal character and relationships based on evidence, perseverance and integrity. As with previous years, UNISTEM DAY 2019 will bring together Universities and High Schools from all over the world by involving 99 Universities in Australia, Austria, Colombia, France, Germany, Greece, Holland, Hungary, Italy, Singapore, Spain, Poland, Portugal, Sweden and United Kingdom.

UniStem is the Centre for Stem Cell Research of the University of Milan founded in 2006 by Profs. E. Cattaneo, G. Cossu, F. Gandolfi and Y. Torrente (unistem.it). The UNISTEM DAY 2019 event is one of many UniStem activities on stem cell research divulgation and this year it celebrates the 11th annual day dedicated to secondary school students and can boast being the largest public event on stem cell research in Europe.

Fondazione TIM born in 2008 as an expression of ethical principles, of the strong commitment of responsibility towards the community and the spirit of innovation of Tim. The commitment is to work for an ever-increasing digital, innovative and competitive Italy, collaborating with the institutions to carry out the projects and making available the economic resources and skills of the Group.

THE EVENT WILL HAPPEN IN 15 COUNTRIES

Concept and Coordination:

uniStem
Università degli Studi di Milano Centro di Ricerca sulle Cellule Staminali

Supporter:

Sweden

15th March 2019
9.15am (C.E.T.)

9:15 → 9:30

Opening by the coordinator
and welcome video

Greetings from **Zaal Kokaia**
Head of Lund Stem Cell Center

9:30 → 10:20

Malin Parmar
Mattias Magnusson

Lund Stem Cell Center
Stem Cells today and tomorrow

10:20 → 10:30

Rebecca Warfvinge

PhD student, Lund Stem Cell Center
*Practical information and
presentation of workshops*

10:30 → 11:00

Coffe-Break provided by the
organizers

11:00 → 12:00

PARALLEL SESSIONS:

a)

Göran Karlsson

Lund Stem Cell Center
*What does it mean to be a PhD
student? How do you become a
scientist?*

b)

Practical workshops

12:00 → 13:00

Lunch

13:00 → 15:00

PARALLEL SESSIONS:

a)

Göran Karlsson

Lund Stem Cell Cente
*Lecture: What does it mean to be a
PhD student? How do you become
a scientist?*

b)

Practical workshops

Two shifts of work:
from 13.00-14.00
from 14.00-15.00

15:00 → 15:30

Conclusion session with Q&A
